## A BROKEN DOWN SYSTEM.

This is a condition (or disease) to which doc-  
tors give many names, but which few of them  
really understand. It is simply weakness—a  
break-down, as it were, of the vital forces that  
sustain the system. No matter what may be  
its cause (for they are almost numberless),  
its symptoms are much the same; the more  
prominent being sleeplessness, sense of pres-  
sure or weariness, depression of spirits and  
want of energy for all the ordinary affairs of  
life. Now, what alone is absolutely essential  
in all such cases is INCREASED VITALITY—  
VIGOR—VITAL STRENGTH AND ENERGY to  
throw off these morbid feelings, and experience  
proves that as night succeeds the day this may  
be more certainly secured by a course of the  
celebrated life-reviving tonic

### THERAPION NO. 3

than by any other known combination. So  
surely as it is taken in accordance with the  
printed directions accompanying it, will the  
shattered health be restored, the EXPIRING  
LAMP OF LIFE LIGHTED UP AFRASH, and a  
new existence imparted in place of what  
had so lately seemed worn-out, "used up," and  
valueless. This wonderful medicine is pure-  
ly vegetable and innocuous, is agreeable to the  
taste—suitable for all constitutions and con-  
ditions, in either sex; and it is difficult to im-  
agine a case of disease or derangement, whose  
main features are those of debility, that will  
not be speedily and permanently benefited by  
this never-failing recuperative essence, which is  
destined to cast into oblivion everything that  
had preceded it for this widespread and num-  
erous class of human ailments.

### THERAPION

## FAREWELL TO BISHOP

## Big Crowds Gather in the Cathedral Yard.

Bishop Libert and Father Valentin  
of the Catholic Mission in Hawaii bade  
farewell last evening to their parishion-  
ers in Honolulu. Both leave today in  
the S. S. Alameda en route to Rome,  
via San Francisco, Washington and  
New York. The demonstration in their  
honor was one of the largest ever ac-  
corded a prelate of any church in Ha-  
waii.

At 7 o'clock there was a benedictory  
service in the Cathedral at which the  
Bishop officiated. This was attended  
by hundreds of people.

Afterwards the Bishop, Father Valen-  
tin and the clergy went to the reception  
hall of the Mission, where for nearly two  
hours they welcomed the multitude.  
Throughout the evening the old Catho-  
lic Mission band played on the prem-  
ises, the music serving to draw a large  
number of people. The Bishop and  
Father Valentin, who will be his chap-  
lain on the long journey to the Papal  
City, stood in the center of the hall.  
Near by were the clergy, French Con-  
sul Vizavona, Portuguese Consul Can-  
avarro, and a delegation of members  
of a Portuguese society. The room  
was draped with the American, French  
Papal, Portuguese and Hawaiian flags.  
Men, women and children, old and  
young, bent the knee before the Bishop  
and reverently kissed the signet ring  
on his hand.

At noon the Bishop and Father Valen-  
tin were the guests of honor at a  
luau given by Hawaiian communi-  
cants. The table was laden with Ha-  
waiian delicacies. Toasts were drunk  
and responded to by the Bishop and  
Father Valentin, and Consuls Vizavona  
and Canavarro. Other prominent  
guests present were Messrs. August  
Dreier, F. W. Macfarlane and John  
Ena.

The Bishop and his chaplain leave in  
the Alameda this morning at 9 o'clock,  
at which time there will be a popular  
demonstration in their behalf. They  
will go to Washington, where they will  
be presented to President Roosevelt by  
the Catholic dignitaries there. They  
also have a letter of introduction from  
Governor Carter. Thence they will go  
to France and then to Belgium to visit  
the Mother House of the order to which  
they belong, which is now located in  
Louvain, Belgium. Before the priestly  
orders were expelled from France, the  
Mother House was located in Paris.  
Afterwards the Bishop and his Secre-  
tary will go to Rome, intending to  
visit the Pope before the end of June,  
as at that time the Cardinals will be  
leaving the Eternal City.

The Bishop was presented with a  
purse containing a goodly sum.

## GEMS FROM KAU WEEKLY

### GEORGE IS POPULAR.

George Kawaha has a little son. He  
acts just as though it was nothing new  
to him. We congratulate you George.  
You and your good wife deserve such  
a blessing may he grow up as popular  
as his daddy.

LOCAL ASPECT OF THE WAR.  
Russian and Jap met at Waiohinu  
on the 14th. The Russian is in retreat  
to an imaginary Mukden. \$2.75 worth  
of supplies of enemy captured by the  
Jap.

### THE VERY LATEST.

Master Kiule's baby worm died at  
Chas. Thompson's, Honouapo, Monday,  
April 17th.

### A TOUCH OF POLITICS.

Senator Paris and Representative  
Smith evidently have decided not to  
keep in politics judging from their  
stand against their constituents. Sen-  
ator Paris could have offered to have  
been a little modest considering that  
he only had one majority. He will  
never get that much again.

### QUEER BIRDS.

The Honouapo Human Geese is still  
laying the rotten eggs in the cracks. It  
is reported that a Corean has joined in.

### MOST REPREHENSIBLE.

\$100 for spite but not one cent for a  
telephone which would save money and  
the annoying of other people.

### GIVEN FAIR WARNING.

It is now quite evident that the half-  
Dutch or laughing Jackass in the store  
is one of the chief spies employed to  
lie about his betters. Take a hint you  
grinning fool for there is a horse whip-  
ping due you and will get it before  
long. Better you leave the district  
quickly.

### WHO IS AFRAID?

Some well-known half crazy man  
asked to the district magistrate to  
sign a warrant of arrest, because he  
is so afraid of Mr. Makino, and he  
was told by some one that Makino  
carrying a half dozen of pistols in his  
pockets to shoot him. Poor fellow  
must have had some bad dream the other  
night, better send for ice and cool off  
your head little bit, then you will be  
all right.

Don't be scared yourself too much,  
there is no coward Russian blood in  
Makino's family. He is a genuine  
descendant of the royal Englishman.

By the way we are all afraid of you  
crazy man.

Yesterday was the twentieth anni-  
versary of the death of Queen Emma,  
and an Hawaiian commemorative ser-  
vice was held in St. Andrew's cathed-  
ral.

## ELKS' MINSTRELS IN FULL REHEARSAL

Full rehearsals of the Elks' Minstrel  
show have been taking place nightly,  
and from the character of the re-  
hearsals it bids fair to be the best  
Minstrel show ever given in Honolulu.  
The great double first part is full of  
novel features, and many of the songs  
and choruses will be whistled and sung  
upon the street on the morning after  
the performance. Many of the songs  
first selected have been laid aside for  
the simple reason that the public seem-  
ed to have "caught on" already and  
every effort has been made to have  
everything brand new and up to date.

The first part is followed by the  
Comedy Four, who have a rollicking  
act which will bring down the house.  
Those who have not heard Mr. C.  
Schwartz in Dutch dialect will think  
that Kolb and Dill are not "such-a-  
much" after all, and his versatility  
will be shown in taking the place of  
"Kapellmeister" Berger, and leading  
the only band. Guy Livingston, Has-  
ings Howland, Jas. Dougherty, will  
make up the balance of the quartet,  
and they will illustrate a number of  
popular songs in a way entirely new.

Miss B. Gertrude Hall and Mr. W. D.  
Adams will appear in a sketch called  
the "Happy Pair," which offers the best  
of opportunity for refined comedy work.  
Both Mr. Adams and Miss Hall have  
been seen here often in dramatic work,  
and the versatility of Miss Hall will  
be shown in a quick change from the  
rollicking comedy of an end "man" to  
the quieter mirth of this little sketch.

The Richardsons, new to Honolulu,  
will next be seen in a musical sketch.  
Mr. Richardson and his daughter are  
en route to England, from Kimberly,  
South Africa, and have consented to  
appear for the local Antlered Herd.  
Mr. Richardson is a conceitina player  
of a very high order, while his daugh-  
ter is an accomplished pianiste who,  
in the language of the late William  
Baxter, "certainly knows her way  
around the ivories." Those who have  
heard Mr. and Miss Richardson pri-  
vately have been charmed with their ex-  
quisite music, and predict a big hit in  
the coming show.

Mr. Hugo Herzer, baritone, needs no  
introduction to the Honolulu public.  
His splendid voice has often been  
heard here and has won him hosts of  
friends and admirers.

The closing act is the farce, "A Coun-  
try School" which is guaranteed to  
cure the most acute case of hypochon-  
dria. Every line is a laugh, and the  
farce has plenty of local hits, and  
catchy music. Tickets for the per-  
formance are now on sale at Wall,  
Nichols & Co., and those wishing to  
secure seats should apply at the earli-  
est opportunity, as the number of good  
seats is rapidly diminishing.

## NUUANU STREET IS GETTING OIL COAT

Immediately following the installa-  
tion of the new gas mains, Nuuanu  
street has been regraded and the street  
is being oiled. Already the thorough-  
fare shows that it is likely to become  
as good as the Waikiki road, the first  
real practical test for oiled roads in  
Honolulu. The street has been com-  
pleted to Beretania street.

broad jump, pole vault, 12-pound shot-  
put. Junior events: 50-yard dash,  
100-yard dash, 220-yard dash, 440-yard  
dash, half mile run, half mile relay,  
high jump, broad jump.

May 10.

The Democrats are beginning to talk  
about their county ticket for Oahu, but  
the wisest of the leaders believe that  
the validity of the County Act should  
be first tested.

## NO QUORUM FOR EVENING SESSION

The House of Representatives was to  
have met at half past seven last even-  
ing but at that hour only a corporal's  
guard had put in an appearance.  
Speaker Knudsen possessed his soul in  
patience for three quarters of an hour  
but even then all who were present  
were Kalaiaia, Harris, Waterhouse,  
Rice, Mahikoa, Sheldon, Greenwell,  
Lewis, Coelho, Nakuina, Long, Lili-  
kalanii, Holstein and Kalliao. These  
with the speaker only made fifteen and  
one more was necessary to form a  
quorum.

Speaker Knudsen was at a loss to  
know what to do and Liliakalanii filled  
in the blank by making an impressive  
oration in which he counselled waiting  
awhile to see whether any more mem-  
bers turned up.

Holstein strode round looking as  
melancholy as Hamlet in the first act.  
The sergeant-at-arms went out to dig  
up a member or two but returned with-  
out making a kill.

At half past eight Coelho burst into  
song and entertained the waiting mem-  
bers with a rendition of "Toni, Toni."

That finished matters and the Speaker  
dreading a repetition declared that  
the House was adjourned.

town where such department is prop-  
erly organized.

The Education Committee referred  
the rebuilding of the Smith street  
school to the fifth district delegation.  
The Public Lands Committee refer-  
red the item of \$10,000 for 4500 feet  
of pipe line at Wailuku and Kahului  
to the Maui delegation.

The Public Lands Committee recom-  
mended the passage of Senate Bill 144,  
providing for the construction of roads  
through and from public lands opened  
for settlement to Nuuanu street.

### MAUI ELECTRIC.

The Committee on Public Lands and  
Internal Improvements recommended  
the indefinite postponement of Senate  
Bill 97 (Hayesden), to authorize E. A.  
Wadsworth and others to construct,  
operate and maintain an electric rail-  
way and works on Maui. The report  
was adopted.

Senate Bill 54 (Bishop), respecting  
the establishment of branch banks,  
passed third reading.

Senate Bill 117 (Dickey), relating  
to permission for relatives to visit the  
Leper Settlement, passed third read-  
ing.

Senate Bill 87 (Dickey), to compel  
owners of buildings of over two stories  
to construct fire escapes of metal, was  
tabled.

Senate Bill 123 (Dickey), respecting  
income tax, passed third reading, de-  
spite Harris's protest that the mea-  
sure should be a Territorial tax, as oth-  
erwise the Territory will lose \$200,000  
in taxes.

Senate Bill 102 (Achi), relating to  
personal taxes, passed third reading.

The House took a recess at 5 o'clock.

### HALEIWA.

The Haleiwa Hotel, Honolulu's fa-  
mous country resort, on the line of  
the Oahu Railway, contains every  
modern improvement and affords its  
guests an opportunity to enjoy all  
amusements—golf, tennis, billiards,  
fresh and salt water bathing, shoot-  
ing, fishing, riding and driving. Tick-  
ets, including railway fare and one full  
day's room and board, are sold at the  
Honolulu station and Trent & Com-  
pany for \$5.00. For departure of trains  
consult time table.

On Sundays, the Haleiwa Limited, a  
two-hour train, leaves at 8:22 a. m.;  
returning, arrives in Honolulu at 10:10  
p. m.

Yesterday Governor Carter refused a  
request of Representatives Harris,  
Greenwell and Holstein to extend the  
present session of the legislature even  
for the few days remaining of this  
week. The legislative session expires  
by limitation today, and after the ad-  
journment—in all probability tomorrow,  
the Governor will issue the call for the  
extra session to meet on May 1 and con-  
sider the appropriation bills. And that  
is all that it will be asked to do. At  
that, the work will require about thirty  
days, although it should be finished in  
fifteen.
